

CRAWFORD COUNTY LIBRARY

Policy Manual

Policy No. 404

Subject: Programs

1. Programs are an extension of the basic services offered by the library. A program is any program that goes beyond the basic materials-loaning services to encompass off-library location services, advice sessions, hands-on-workshops, group educational sessions jointly sponsored activities, etc. They may vary to include all age groups and interests.
2. Special programs are exempt from the limitations of the non-resident policy.
3. The Board of Trustees will be apprised of planned and ongoing programs by the Library Director.
4. Program expenditures will be included in the financial report.
